“A message to the future generation — make the world a more peaceful place.”

International

Each year Lions clubs around the world proudly sponsor the Lions International Peace Poster Contest in local schools and youth groups.

Youth

The contest encourages young people, ages 11-13, to artistically express their views of peace. Through their eyes we see the world.

Create

Participants use a variety of mediums—charcoal, crayon, pencil and paint—to express a new theme developed each year to spark their imagination. The works created are unique and express the young artists’ life experiences and culture.

Contest

Posters are evaluated on artistic merit, portrayal of theme and originality. Twenty-four international finalists are selected to represent the work of more than 325,000 young participants worldwide.

“Peace starts in our own communities through our relationships with family and friends.”
